**SECTION C****RECOMMENDATION**

Please indicate your summary recommendation by placing a tick (✓) against the appropriate paragraph :

**Summary Recommendation**

<b><u>Pass</u></b> A thesis is accepted without any amendments and corrections.	
<b><u>Pass with Minor Corrections</u></b> A thesis is accepted including reformatting of chapters, revision of literature, improvement in declaration of research objectives or statements, insertion of missing references, amendment of inaccurately cited references, and other minor improvements including improvements in spelling, grammar and syntax. The correction must be made within a period of not more than three (3) months.	
<b><u>Pass with Major Corrections</u></b> A thesis is accepted with major corrections including extensive revision of the entire thesis to improve the quality such as major improvement in the description of methodology, statistical re-analysis of research data, removal of research chapter(s), re-discussion of results, and improvement in spelling, grammar and syntax. The corrections must be made within a period of three to twelve (3 - 12) months.	
<b><u>Resubmission of Thesis</u></b> The thesis is to be re-submitted if it does not meet the scope of the degree for which it is intended, the objectives of the research are not met and/or when there are obvious flaws in the experimental design and/or methodology, and therefore, requires additional experimental work or data collection. Resubmission of the corrected thesis must be made within a period of not more than 12 months subject to the following conditions: <ul style="list-style-type: none"><li>i. The candidate must continue to be a registered student (full fees) of the University for the following semester;</li><li>ii. The candidate must undergo viva voce re-examination;</li><li>iii. Only one (1) resubmission is permitted;</li><li>iv. Failure to submit within the specified time shall result in the termination of candidature.</li></ul>	
<b><u>Rejection of Thesis (degree will not be awarded)</u></b> A student would be considered to have failed the examination if his/her thesis fails to meet the requirements of the Doctor of Philosophy or Master's academic level, or is found to have plagiarised or committed academic fraud.
