FOR OUR TIMES

MASTER IN SOCIAL BUSINESS

by coursework by coursework (N/0419/7/0001) (12/27) (MQA/PA 15825)

The Master in Social Business (MSB) is a one-of-a-kind programme, envisioned by Nobel Laureate Professor Muhammad Yunus, the Father of Social Business, and Chancellor of AIU. Approved by the Malaysian Qualifications Agency, MSB is designed for aspiring entrepreneurs or professionals in impact-driven organizations. The coursework combines key elements from Management, Finance, and Social Development, augmented by a robust Social Business practicum that prepares graduates for real-life impact. This is the professional degree for our times.

DURATION OF STUDY AND MODE OF DELIVERY

The MSB is run on both full-time and part-time basis. Candidates may complete full-time in 3 Semesters or part-time in 6 semesters, over 1.5 - 3 years. Because of the practical-oriented design, the programme requires presence on campus. The programme is delivered through a mix of classroom activities, social business labs, community-based fieldwork, case studies, seminars, and an individual social business project.
