## Message from Founder

Dear graduands, esteemed guests, families and faculty members,

It is with great pride and joy that we celebrate the 5th Convocation Ceremony of the Albukhary International University (AIU). Today marks a significant milestone, not only for our graduands but for the entire AIU community.

It is a testament to the continuous growth and unwavering commitment of this institution to excellence, service and global impact. Since its inception, AIU has made considerable strides in fulfilling its mission—to provide education as a catalyst for change, empowering individuals to uplift their communities and contribute meaningfully to society.

From our humble beginnings, we have developed into a thriving institution that nurtures graduands who are not only academically accomplished but also deeply committed to social responsibility. With each passing year, our alumni are making their mark, embodying the values instilled in them: our beloved 5As of Aqidah, Akhlaq, Adab, Amanah and Amalan; and demonstrating that education is most powerful when used to benefit others.

As you embark on your next chapter, remember that success is not measured solely by personal achievements but by the impact you create on those around you. The philosophy behind the establishment of this University reminds us that wealth and knowledge are not meant to be hoarded but shared.

I urge you to work on this, guided by the 8-Hour Rule, which emphasises the importance of balance in life—eight hours for work and learning, eight hours for rest, and eight hours for personal growth and service.

This principle ensures not only productivity but also well-being, allowing you to sustain your energy, clarity and commitment to both personal and societal progress. Remember, graduands, that true fulfilment comes from using your skills and education to uplift others, to bridge divides, and to contribute to the betterment of humanity.

The world today needs leaders who not only solve problems but do so with empathy, ethics and a commitment to justice. You have been equipped with the tools to meet these demands, but it is up to you to wield them wisely.

Carry forward the AIU legacy of generosity and service. Whether through your profession, your community work, or your personal interactions, let your actions reflect the values that AIU has instilled in you. As you leave this campus and step into a world of opportunities, embrace the responsibility that comes with your education.

Let the knowledge you have gained serve a greater purpose. Let your journey be one of contribution, continuous learning, and meaningful change.

Congratulations, Class of 2025. The world awaits your brilliance, your passion, and your dedication to making it a better place. Go forth with confidence, integrity and a deep sense of responsibility.

Thank you.

**Syed Mokhtar Albukhary**  
Founder, Albukhary International University

## Message from Pro-Chancellor

Dear graduands and their proud families, honoured guests, and all Albukhary International University (AIU) staff,

When I was entrusted with this role of Pro-Chancellor of AIU right before the previous Convocation Ceremony, I knew it was more than just a title—it was a responsibility.

My hope is to serve AIU and its students with sincerity, to support and uplift you, graduands of 2025, along with all other students of this great institution, and to contribute meaningfully to the mission of this extraordinary institution.

To me, AIU is a place unlike any other. It is a sanctuary of hope, a beacon of opportunity, and a testament to what education can achieve when it is built on the foundation of service and inclusivity.

Here, some of the most marginalized youth from across the world are given a chance—not just to learn, but to thrive, to build a future for themselves, and to return to their communities as agents of change. That is the true power of AIU, and it is something that I deeply admire.

As you stand on the brink of a new journey, I urge you to hold onto the spirit of AIU—the brotherhood, the unity, the diversity that makes this campus so special. During my time here, I was amazed by the richness of culture, the strength of bonds forged between people from vastly different backgrounds, and the way you all come together as one.

That spirit should remain with you wherever you go. In a world that often tries to divide, let your experience at AIU remind you of the power of connection, respect, and understanding.

Whatever you do in life, serve with purpose. Success is not just about personal achievement—it is about making a difference. It is about asking yourself: How does my work help others? How does it uplift my community? How does it make the world a better place?

When your actions are driven by a higher purpose, you will find fulfillment that goes beyond material success. Most importantly, never lose yourself. The world will test you in ways you cannot yet imagine. You will face challenges that push you to your limits, temptations that try to steer you away from your values, and pressures that demand you to change who you are.

But remember—your strength lies in staying true to your identity, in standing firm in your character, and in never compromising the values that define you. That is what will carry you through.

Graduands of AIU, you have been given an opportunity that many in this world could only dream of, so make the most of it. Carry forward the lessons, the friendships, and the mission of this university in everything you do.

I have no doubt that you will lead with integrity, serve with compassion, and inspire those around you. Class of 2025, the world needs you—so go forward with strength and purpose.

Thank you.

**Sonny Bill Williams**  
Pro-Chancellor, Albukhary International University

## Message from Chairman

Distinguished guests, esteemed faculty, proud families and, most importantly, our exceptional graduands,

On behalf of the Board of Governors of the Albukhary International University (AIU), it is my privilege to extend my heartfelt congratulations to the Class of 2025. Today marks not just the completion of your academic journey but also the beginning of a new chapter—one that holds boundless possibilities, responsibilities and opportunities to shape the world around you.

The world you are stepping into is evolving at an unprecedented pace. The rapid advances in technology, the complexities of global economies, and the urgent need for sustainable solutions present both challenges and opportunities.

In times of uncertainty, true leadership emerges—not in seeking comfort in the familiar but in the courage to embrace change, adapt and innovate. The ability to think critically, act decisively, and remain steadfast in your values will be the defining factors of your success. Amidst these changes, one thing remains constant: the power of human connection.

AIU has always believed in the strength of community, collaboration and the importance of uplifting those around us. As graduands, I urge you to lead not just with knowledge, but with empathy. The world does not need leadership driven solely by ambition; it needs leadership that is rooted in service, inclusivity and ethical responsibility.

Your time at AIU has instilled in you the 5A core values—Aqidah, Akhlaq, Adab, Amanah, and Amalan. These values are more than guiding philosophies; they are a way of life. They serve as a moral compass that will help you navigate the complexities of the modern world.

Hold onto them as you make decisions that shape your future and the futures of those around you. Furthermore, the diversity at AIU is one of its greatest strengths. With students from over 60 nations, you have experienced firsthand the richness of different cultures and perspectives.

This global exposure has equipped you with the cultural intelligence needed to collaborate across boundaries and find innovative solutions to pressing global challenges. The future belongs to those who understand that diversity is not just an asset—it is the driving force of progress.

As you step forward, remember that success is not merely measured by personal achievements but by the impact you create. Strive for excellence, but do so with purpose. Be ambitious, but remain humble. Adapt to change, but stay true to your principles.

The future is not something that happens to you—it is something you shape with your actions, your choices, and your unwavering commitment to making a difference.

Once again, congratulations to the Class of 2025. May your journey ahead be one of growth, fulfillment, and meaningful contributions to the world.

Thank you.

**Syed Mohamad Albukhary**  
Chairman, Board of Governors  
Albukhary International University

## Message from Vice Chancellor & President

Honoured guests, respected colleagues, proud families, and most importantly, all AIU graduands of 2025.

As we gather today, we reflect on the journey that has brought us here—a journey defined by hard work, resilience, and an unwavering commitment to growth.

Today, we come together to celebrate not only the remarkable achievements of our graduands but also an exciting new chapter for Albukhary International University. It is with immense pride that I congratulate each one of you for reaching this significant milestone.

On behalf of the entire AIU community, I extend my heartfelt congratulations to our fifth cohort of graduands and foundation students for their dedication and perseverance.

At AIU, we have long been guided by the values that unite us—our 5As Core Values: Aqidah, Akhlaq, Adab, Amanah, and Amalan. These values remain at the heart of who we are, but as we enter a new era, we also embrace fresh perspectives and innovative approaches to education, sustainability, and social impact.

Our commitment to value-based education and social innovation has never been stronger. Our Chancellor's 3ZERO vision—zero poverty, zero unemployment, and zero net carbon emissions—continues to define our purpose, yet we recognize the need to broaden our horizons.

Our ongoing efforts and future endeavours reflect the university's steadfast dedication to fostering communities of change-makers who embody the spirit of innovation and empathy.

In this new chapter, we will focus on strengthening our role as an emerging leader in Education for Sustainable Development (ESD). From our students' work in the 3ZERO Clubs on campus and in the surrounding communities, we have witnessed the power of collaboration and the potential for students to drive meaningful change.

The knowledge that the graduands have gained is not just for personal growth; it is a tool to introduce the world to the transformative concepts of Social Business and the 3ZERO philosophy.

Your academic achievements are more than personal milestones—they are doorways to social change. In a world where artificial intelligence is reshaping industries and education, AIU aims to lead the way in ensuring that these advancements are ethically grounded and socially beneficial.

Our vision for the future integrates cutting-edge technology with our core values, ensuring that as AIU graduands, you will not only thrive in your chosen fields but also contribute to a world that is more just, inclusive, and sustainable.

This convocation, therefore, marks a fresh start—not just for you as graduands, but for AIU itself. Together, we will continue to harness the strength of our diverse community, drawing from our rich heritage while pioneering new paths forward in education and social impact.

Congratulations, graduands! Your journey is just beginning, and I am certain that the road ahead will be filled with boundless opportunities and achievements. Let's move forward together, with renewed energy and unwavering resolve, to make a lasting impact on the world.

Thank you.

# ABOUT ALBUKHARY INTERNATIONAL UNIVERSITY

Albukhary International University (AIU) is a private, non-profit education institution with a fully residential campus and state-of-the-art facilities. It provides a conducive living and learning environment for students to indulge in self-discovery, nurturing relationships, and building understanding on global issues.

At AIU, students are exposed to a holistic educational approach through a combined academic and social engagement programme which is carried out throughout the study period. The aim is to realize the University's objective to develop and mould the students into holistic individuals who will serve and contribute back to their own communities.

AIU envisions to be the referral centre for Social Business , its niche area. AIU also actively advocates for and participates in the 3ZERO Clubs: Zero Poverty, Zero Unemployment and Zero Carbon Emission, as initiated by Nobel Laureate and Chancellor of the University, Professor Muhammad Yunus.

Constructed on a 45-acre (18 hectares) site, with architectural designs reminiscent of classic architectural wonders dating from the golden age of learning such as the Dome of the Rock (Jerusalem), Citadel of Bukhara (Uzbekistan), University of al-Qarawiyyin (Morocco) and Süleymaniye Mosque (Türkiye), the campus is located in the peaceful city of Alor Setar, capital of the northern state of Kedah.

The beauty of AIU transcends its rich and beautiful architecture and lies in its heart of the 5A core values: Aqidah, Akhlaq, Adab, Amanah and Amalan; their definition and practise carried out and passed on amongst the students of diverse ethnicity from more than 60 countries worldwide. Through its vision, mission and core values, AIU is committed to ensuring the highest level of human dignity in line with the concept of "Inspiring Minds"; core ethos and tagline of the University.

# UNIVERSITY LOGO

## (Square Kufic)

In the University's logo, the Square Kufic reads "Jami'ah Albukhary al-Duwaliyyah" (Albukhary International University). The Square Kufic (known as Kufi Murabba' or Kufi Banna'l - masonry script) is characterised by its unique epigraphic convention; by its angularity, squareness, and strict organising principles by positive and negative space.

"Jami'ah (University)" in blue: produces a calming effect, associated with tranquility and calmness; beneficial to mind and body.

al-Duwaliyyah (International) in turquoise: represents healing properties that affect the mind and body; believed to boost energy, serenity, wholeness and creativity.

"Albukhary" in green: the colour of life, nature and energy; to create balance as well as promote change and growth.

## ALBUKHARY INTERNATIONAL UNIVERSITY

The Square Kufic, also used in the logo of the Islamic Arts Museum Malaysia was selected as the new logo of the University because the aforementioned institutions are the symbolic entities founded and supported by the Albukhary Foundation. The Islamic Arts Museum Malaysia seeks to nurture a deeper appreciation for the influence of Islamic civilization throughout the globe, while the Albukhary International University was founded with the aim of inclusion in the field of higher education. In totality, the colours of the new Albukhary International University logo captures the essence of the university's motto, which is "Inspiring minds towards a better world".

## Vision

Innovating SOLUTIONS that promote the convergence of ideas towards a SUSTAINABLE world.

## Mission

Provides opportunity to serve humanity through social business in a redesigned learning environment.

## Tagline

## AIU Philosophy

AIU was founded with the intention of providing an opportunity where the pursuit of knowledge can flourish together with exploration and stretching its boundaries towards a new horizon for future needs. AIU aspires to develop adaptable, balanced, well-rounded individuals who are willing and able to serve humanity, acting as agents of change in their respective communities.

# 5A Core Values

## AQIDAH

Individuals that have a strong faith and are driven by purpose

## AKHLAQ

Character building and the alignment of an individual's moral compass

## ADAB

Modest individuals with good manners and dignity

## AMANAH

Accountability and integrity in every task, action and intention

## AMALAN

Take action in a way that carries the above values

# 8-Hour Rule

"The day has 24 hours; 8 Hours for the night's sleep, 8 Hours for the day's education and 8 Hours for helping others in need."

- Syed Mokhtar Albukhary

**8 HOURS FOR THE NIGHT'S SLEEP**

**8 HOURS FOR THE DAY'S EDUCATION**

**8 HOURS FOR HELPING OTHERS IN NEED**

# SOCIAL BUSINESS @AIU

In line with the University's niche area of Social Business, where the focuses are on practical and community-related research rather than theoretical and hypothetical research, a variety of impactful events, projects and collaborations are organised and participated year round by staff and students of AIU.

## Social Business Initiatives

- 9th Social Business Youth Summit (SBYS) 2025
- PLS #7 "Bridging the Gap: Innovative Approaches to Healthcare Accessibility" by Dr. Wan Abdul Hannan co-founder and chief Executive of Hospital of Beyond Boundaries
- ACE-SEDI has launched the AIU Social Business Videocast, an initiative promoting the 3ZERO Club movement. This videocast aims to increase awareness of how social business can effectively address social challenges. In collaboration with ten students from BMC, ACE-SEDI has embarked on this project with a focus on highlighting the efforts and stories of the 3ZERO Club members.

## 3ZERO CLUB @AIU

The AIU-Social Business Design Lab is a brainstorming platform for students to cultivate their creative minds to find social solutions and social innovation ideas. We believe that in order for social solutions and social innovation ideas to be invented, students need to be actively engaged in community projects and programme. By doing this, they will have a better understanding of the root issues involved, the challenges, strategies to overcome them, and the potential solutions to propose.

Our community engagement programmes are in Baling and Sik, Kedah. The potential social solutions or innovations could include new methods, business models, tools and equipment, software, or apps that improve the quality of life for people living in poverty. These solutions will then be turned into social business ideas. This lab is divided into three clusters, aiming to work toward a World of 3Zeroes as called for by Professor Muhammad Yunus: 1. Zero Poverty, 2. Zero Unemployment, and 3. Zero Net Carbon Emission.

CONVOCATION

# The MACE

It is a gold sceptre, or mace of North Indian origin, possibly from Rajasthan, made in the first half of the 19th century with carved floral motifs in three sections with a rosewood core. The pommel is inlaid with a large emerald surrounded by rubies and diamonds forming a floral design. Surrounding the flower is a register of carved birds with inlaid ruby eyes, interrupted by floral sprays. The lip of the pommel is decorated with square-cut diamonds.

The mace first made its present-time appearance at AIU Convocation Hall on March 26, 2022, during the inaugural convocation ceremony of the university. Historically recognized as a type of ceremonial device, it was carried by the entourage of the ruler of its time. Today, it is carried by its designated bearer and placed at the center of the convocation hall during the ceremony as an emblem of lasting prestige and authority, which represents the important role that the past will always play in the present time, across centuries, cultures, and continents.

Its emblematic uniqueness stands out as it is a significant object from the annex of history that has witnessed much of time and civilizations passing by. Thus, it becomes the perfect symbolism of the university's 5As core values which are universal and timeless, unifying people and communities in its humanity and yet acknowledging the beauty in its diversity.

The School of Business and Social Sciences (SBSS), through its world-class programmes, aspires its graduates and faculty members to be steadfast, superior, and versatile: qualities that are symbolised by the colour Royal Blue.

SBSS is committed to instilling the 5As Core values of Aqidah, Aklaq, Adab, Amanah, and Amalan in its graduates and staff to be knowledgeable, socially conscious, adaptable, balanced and well-rounded progressive professionals. All this is made possible by promoting the 8-hour rule as a model for a way of life.

School of Business and Social Sciences corporate colour, Royal Blue, ultimately reflects the role of the school in upholding the University's noble intention of serving humanity through Social Business by exploring and stretching its boundaries towards new horizons for a sustainable world.

The School of Education and Human Sciences (SEHS) philosophy is to develop graduates with positive traits such as compassion, creativity, wholeness, serenity, spiritual grounding, and emotional balance, which is symbolised by the colour Turquoise. These traits are in line with AIU's 5As core values of Aqidah, Akhlaq, Adab, Amanah and Amalan. The colour Turquoise is chosen as it is believed to carry wisdom, creative energy and promote analytical thinking. The school believes that it aspires its students and also faculty members to be altruistic, amiable and charismatic thus leaving lasting impression in their life, career and society.

The School of Education and Human Sciences aspires its graduates to resonate with the characteristics of turquoise, AIU 5As core values and 8-hour rule as a way of making significant contributions to society and the world at large.

Colours in a computer programme are represented by combining 3 "pigments" namely Red, Green and Blue. By combining a certain amount of Red, Green and Blue, any displayable colour can be achieved. Green, the colour of life hope, renewal, nature, and energy, is also associated with meanings of growth, harmony, freshness, safety and environment.

The School of Computing and Informatics chooses Green as a colour that nurtures individuals seeking for knowledge, holistic, entrepreneurial and globally competitive. The school believes the green colour creates the balance between 5A Core Values and academic excellence among its staff and students. Finally, Green reflects the hope for a better future for SCI graduates.

# VICE CHANCELLOR AWARD

**Nur Elida Abu Hussin**

*Bachelor of Business Administration (HRM) (Honours)*

Born on 12 June 2001, Nur Elida Abu Hussin hails from the southern landscapes of Malaysia's historic Melaka. Situated 457 kilometres from AIU, she defied geographical constraints, drawing strength from her supportive parents, Abu Hussin and Es Deeyana, who instilled in her the belief that dreams know no boundaries.

Her academic odyssey began with a Diploma in Corporate Administration from UITM Seremban 3, where she consistently graced the Dean's List. Driven by an insatiable hunger for knowledge, Elida transitioned to a Bachelor of Business Administration in Human Resource Management, earning an exceptional 3.81 CGPA that spoke volumes of her commitment to academic excellence.

Beyond the classroom, Elida transformed her passions into action. A formidable badminton athlete, she competed in numerous tournaments. Her leadership shone brightest during her tenure as Exco for Entrepreneurship in the Malaysian Student Association (MASAA), where she orchestrated innovative initiatives like the Independence Day and Ramadhan Bazaar booths, encouraging student entrepreneurship and community engagement.

Elida also immersed herself in community outreach, volunteering with MAYC Malaysia and participating in Kamus Dewan Bahasa events.

Elida's guiding motto is "Inspire, Empower, Transform" – a philosophy driving her to create meaningful impact, one connection at a time.

# VICE CHANCELLOR AWARD

**Nur Safawani Binti Mohd Asri**

*Bachelor of Business Administration (Honours)*

Nur Safawani was born in a small city in Kedah. Her parents run a small business selling \*bihun sup\* at the morning market. Despite financial challenges, they worked tirelessly to raise four children, sacrificing their time and energy to provide for the family. Growing up in this environment, she learned the value of hard work and perseverance. During school holidays and weekends, she helps her parents with their business, gaining firsthand experience in managing a small enterprise.

She pursued her diploma at UniSHAMS in Kuala Ketil with a PTPTN loan and later continued her degree at Albukhary International University (AIU) with a full scholarship. She was fortunate to discover AIU, which offers full scholarships to students from underprivileged backgrounds. Without this opportunity, pursuing a degree would have been difficult. Determined to excel academically, she consistently achieved outstanding results, earning a spot on the Dean's List every semester.

Beyond academics, she is actively involved in extracurricular activities. She has taken on leadership roles, often serving as a team leader in various assignments and projects. She is also a dedicated member of the Social Business (Jom Academy), an initiative promoting sustainability and community engagement. Additionally, she contributed to a research paper for the Marketing Conference 2024 and played a key role as a committee member at the same event.

With strong determination and resilience, she continues striving for excellence. She hopes to inspire others facing similar challenges, proving that perseverance and hard work can lead to success regardless of background.

# VICE CHANCELLOR AWARD

Bokhoree Lamdoh comes from a small village called Lako, Yaha, in the southern part of Thailand. Despite having six children whose father passed away, his mother was still able to manage and look after all to become successful individuals.

His mother demonstrated the greatest role model in which she instilled in him the values of sincerity (Ikhlas) and good intention, reminding him of the significance of Islamic principles which would lead to success in both this world and the hereafter.

At Albukhary International University (AIU), he thrived academically and beyond. As the Academic Exco for Student Representative Council (SRC), representing the School of Education and Human Sciences (SEHS), and Sports and Activities committee member of the AIU Thai Student Association (ATSA), he demonstrated exceptional leadership skills.

He consistently earned the Dean's List award and was awarded the VIPKI Harmoni Award 2024 for his contributions. Bokhoree has always strived to be a well-behaved student consistently guided by Islamic principles and good and noble intentions.

He was actively involved in the AIU Volleyball club as committee member, and in various community service initiatives, including the Anak Angkat Programme, Youth Care Malaysia, and Gotong Royong Masjid At-Taqwa. His commitment and dedication to both academic performance and community development has made him an outstanding and reliable figure among his lecturers and peers.

## Bokhoree Lamdoh

*Bachelor of Elementary Education (Honours)*

# VICE CHANCELLOR AWARD

**Nurul Effira Farahim binti Yusoff**

*Bachelor in Early Childhood Education (Honours)*

Nurul Effira Farahim binti Yusoff, 24, was born in Kuching, Sarawak, and grew up in Serian, Sarawak. The second of three siblings, she completed her STPM with a commendable CGPA of 3.25 before pursuing her degree at Albukhary International University (AIU), where she consistently achieved academic excellence, earning a place on the Dean's List every semester with a CGPA of 3.75.

Throughout her university journey, Nurul Effira actively contributed to various co-curricular activities, demonstrating strong leadership and community spirit. She served as the Exco for Multimedia & Design (2023/2024) and was involved in multiple community engagement initiatives, including the Kids Corner Committee at the Alumni Dinner (2023), Inclusive Adventure Day with The National Autism Society of Malaysia (NASOM) in 2024, and Youthcare Malaysia (2024).

Her passion for early childhood education was evident in her participation in Children Appreciation Day (2023), Children Exhibition Day (2023), and the Children Artful Summit (2024).

Reflecting on her university life, Nurul Effira appreciates the transformative impact of her time at AIU, where opportunities to engage in diverse programs and events helped her become more open, confident, and proactive in her personal and academic pursuits. She firmly believes that education is a powerful key to success—an inspiration she hopes to share with others.
