- Applicants who have completed a bachelor's degree programme with English as medium of instruction are exempted from the language requirement.

CENTRE FOR GRADUATE STUDIES

Centre for Graduate Studies (CGS) was established with a commitment to nurturing an environment where the pursuit of knowledge thrives alongside intellectual curiosity, critical inquiry, and innovation. CGS seeks to expand the boundaries of learning by encouraging research, creativity, and forward-thinking approaches that respond to the evolving needs of society and the future workforce.

Through its graduate programmes, CGS aspires to cultivate adaptable, balanced, and well-rounded individuals who are equipped with both professional expertise and ethical values. Graduates of CGS are envisioned as responsible leaders and change agents who are prepared to contribute meaningfully to their professions, communities, and humanity at large.
